Key benefits

Reduce admin burden

Replace spreadsheets, emails and manual tracking with one system. Save time, reduce errors and streamline your processes.

Increase parent engagement

Easy booking for one or multiple children, easy communication and secure payments all in one place leads to higher participation.

Enable enrichment for every child

Offer more clubs, trips and opportunities, increase uptake and ensure fair access for all pupils.

Improve financial visibility

Clear reporting and simple reconciliation gives you confidence and full visibility of income and transactions.

Juniper Events helps schools reduce workload, strengthen parent relationships and deliver meaningful opportunities that support every child's development and success.
