

Juniper Education App

How to Download and Get Started

Follow these four steps to download the **Juniper Education App** and connect with your child's school.

1. Check your email

You will receive an invitation email from **Juniper Education**.

If you cannot find it, check your junk or spam folder.

Still not there?

Contact your school office and ask them to resend the invitation.

2. Create your account

Open the email and click the invitation link.

Follow the on-screen steps to create your password and set up your account.

You only need to do this once.

3. Download the app

Search for '*Juniper Education*' in **App Store** or **Google Play** and install the free app.

4. Log in and explore

Open the **Juniper Education App** and log in with the email address and password you just created.

Your child will already be linked to your account.

Turn on notifications so you don't miss messages from school.
